

WISE CHOICE

Wisechoice Associates

Accurate. Efficient. Trusted.
Always the Wisechoice

ABOUT THE COMPANY

- ▶ Wisechoice Associates is a UAE-based consultancy committed to helping businesses stay compliant and thrive. From real estate firms to high-risk SMEs, we work closely with clients to simplify complex regulations, avoid penalties, and ensure smooth operations. With expertise in accounting, VAT, corporate tax, AML, and compliance, we offer tailored solutions that support long-term success — without the jargon, just clear guidance every step of the way.

MISSION

- ▶ To deliver innovative, compliant financial and advisory solutions that support sustainable growth and empower businesses to focus on what they do best.

VISION

- ▶ To be the most trusted partner for accounting, tax, and compliance services — guiding businesses toward financial clarity, regulatory confidence, and long-term success.

OUR SERVICES

Accounting and Bookkeeping

We offer complete accounting and bookkeeping using advanced ERP software tailored to your business. Our services ensure accurate financial reports per IFRS, efficient stock tracking, and employee benefit calculations as per UAE labor law—keeping your records compliant, organized, and audit-ready.

AML compliance Services

We offer end-to-end AML and Economic Substance compliance, tailored for high-risk DNFBPs like jewelers, stone dealers, and real estate brokers. Services include AML policy drafting, risk assessment, due diligence, report submissions, registration, compliance reviews, and staff training—ensuring readiness for audits and inspections.

Taxation Services

We provide full tax support for Corporate Tax, VAT, and Excise Tax.

- ▶ VAT : Registration, deregistration, filing, compliance checks, and FTA refund support.
- ▶ Corporate Tax : Registration, deregistration, return filing, and compliance with UAE laws.
- ▶ Excise Tax : Registration, product classification, deregistration, and monthly filings.

Financial Auditing

We prepare your books for internal and statutory audits, ensuring compliance with UAE laws and global standards. Our team works with approved auditors to deliver accurate reports, identify risks, and support informed decision-making.

Why Choose Us ?

- ▶ We simplify complex rules.
 - ▶ We help avoid fines and delays.
 - ▶ We prepare you for inspections.
 - ▶ We don't confuse – we clarify.
 - ▶ Our clients refer us because they trust us.
 - ▶ You don't need just another consultant.
- You need a partner who knows the system and makes it work for you.
